The screenshot shows the 'Users' management page in the Atlassian Admin console. On the left is a sidebar with navigation links: 'Back to products', 'Users' (selected), 'Groups', 'Access requests', 'Site settings', 'Site access', 'Product access', 'G Suite', 'Emoji', 'Connected apps', and 'Storage'. The main content area has a top navigation bar with 'Overview', 'Directory', 'Products' (selected), 'Security', 'Billing', and 'Settings'. Below this is a form to 'Invite team members' with three input fields for 'Email address' and a checkbox for 'These users can invite new users and access, administer, and add products. Learn more about trusted users'. A table below the form lists existing users:

User	Last activity	Status	Actions
khoa le nguyen the khoa1n91@gmail.com	January 15, 2021	Has site access	Show details ...
Khoa Lê Nguyễn Thế khoa201191@gmail.com	January 15, 2021	Has site access	Show details ...

The screenshot shows the 'Roles' configuration page for 'Jira Software' in the Atlassian Admin console. The sidebar and top navigation are identical to the previous screenshot. The main content area shows the 'Jira Software' role configuration. It includes a 'Roles' section with three role types: 'Basic' (Can access the products you specify only.), 'Trusted' (Can update product settings, add new products, and invite basic users to products.), and 'Site administrator' (Can administer your site, determine user access, and update billing details (like you)). Below this is a list of users assigned to the role, showing 'jira-software-users'.

## Thêm product

The screenshot shows the Atlassian Admin interface. The top navigation bar includes the Atlassian logo, the word "Admin", and several tabs: "khoah91", "Overview", "Directory", "Products" (which is active), "Security", "Billing", and "Settings". On the left sidebar, there are sections for "Products" (with "Release tracks" and "Sandbox" both marked as "BETA"), and "SITES AND PRODUCTS" which lists a site named "khoah91". The main content area is titled "Products" and shows a table with one product entry:

Product	Plan	Users
Jira Software khoah91.atlassian.net	Free	2

An "Add product" button is located in the top right corner of the main content area.

This is a modal dialog titled "Select a site for your product". It contains three steps: "Select site" (active), "Select product", and "Start trial". Below the steps, there is a message: "To add a product, create a new site or visit one of your existing sites." There are two options: "New site" with a right arrow, and a site named "khoah91" with the URL "khoah91.atlassian.net".

## Tạo component

## Tạo issue

The screenshot shows the 'Create issue' dialog box in Jira. The background is the Jira interface with the 'jiralab' project selected. The dialog box has a title bar with 'Create issue' and two tabs: 'Import issues' and 'Configure fields'. The main form contains the following fields:

- Project:** A dropdown menu showing 'jiralab (JIR)'.
- Issue Type:** A dropdown menu showing 'Story'.
- Summary:** A text input field containing 'Test chức năng đăng nhập'.
- Components:** A dropdown menu showing 'Testing'.
- Attachment:** A text input field with a placeholder 'Drop files to attach, or browse.'.
- Description:** A text input field.

At the bottom right of the dialog box, there are three buttons: 'Create another', 'Create', and 'Cancel'.

## Tạo board

The screenshot shows the 'Name this board' dialog box in Jira. The background is the Jira interface with the 'jiralab' project selected. The dialog box has a title bar with 'Name this board'. The main form contains the following fields:

- Board name:** A text input field containing 'work process'.
- Project:** A dropdown menu showing 'jiralab (JIR)'.
- Location:** A dropdown menu showing 'jiralab (JIR)'.

At the bottom right of the dialog box, there are three buttons: 'Back', 'Create board', and 'Cancel'.

## Kiểm tra issue

The screenshot shows a Jira issue page for the project 'Quản lý Quy Trình' (Classic software project). The issue title is 'phải làm trước ngày 10.1.2021'. The left sidebar contains navigation links: ABoard Board, Roadmap, Backlog, Active sprints, Reports, Issues (selected), Components, Code, Releases, Project pages, Add item, and Project settings. The main content area includes a description field, an activity section with tabs for Comments, History, and Work log, and a right-hand sidebar with fields for Assignee (Yen Nguyen), Reporter (Yen Nguyen), Labels (None), and Priority (Medium). A 'Quickstart' button is visible at the bottom right.

## Tạo dashboard

The screenshot shows a Jira Backlog page for the project 'jiralab' (Classic software project). The left sidebar contains navigation links: jiralab Board, work process Board (selected), Roadmap, Backlog (selected), Active sprints, Reports, Issues, Components, Code, Releases, Project pages, Add item, and Project settings. The main content area displays the Backlog with a search bar, filters for 'Only My Issues' and 'Recently Updated', and a list of issues. The first issue is 'Thêm API lấy csdl' (JIR-1) and the second is 'Test chức năng đăng nhập' (JIR-2). A 'Quickstart' button is visible at the bottom right.
